OAKED STILL DRY WHITE WINE

'This Bordeaux-style white offers harmoniously balanced, subtly articulated flavours. Soft and refined, it's round at the edges and has traces of the unexpected—like fig leaves on the nose and the merest hint of elder flower. This complexity of flavours comes from very selective sourcing and attention to detail. The presence of oak is a barely-there sensation, on the nose rather than the palate. This stirs yet more complexity into its wonderful creaminess – a trait I like to call 'white tannins.' - Frans K Smit, Cellar Master, Spier

"The balance, and the refined elegance of this blend, with its long finish, is the result of a growing season that goes down in my books as textbook perfect. A properly wet winter, some spring rain and a dry, mild summer allowed for longer hang-time, followed by quick picking. There's superb balance between sugar and natural acidity. With all the grapes being of Helderberg origin, we were able to achieve consistency in style. Cabernet Sauvignon was everything we wanted it to be - and more - so we gave it dominance in the blend. Adding Cabernet Franc from a younger vintage in the final blend contributes a freshness and element of surprise."
